

Outcomes, indicators and shared accountability

Council and partners are investing in Community Hubs (see aligned investment map for more details on the map site).

These hubs will work to impact upon local district level outcomes.

There will be four levels of oversight, each holding each other to account.

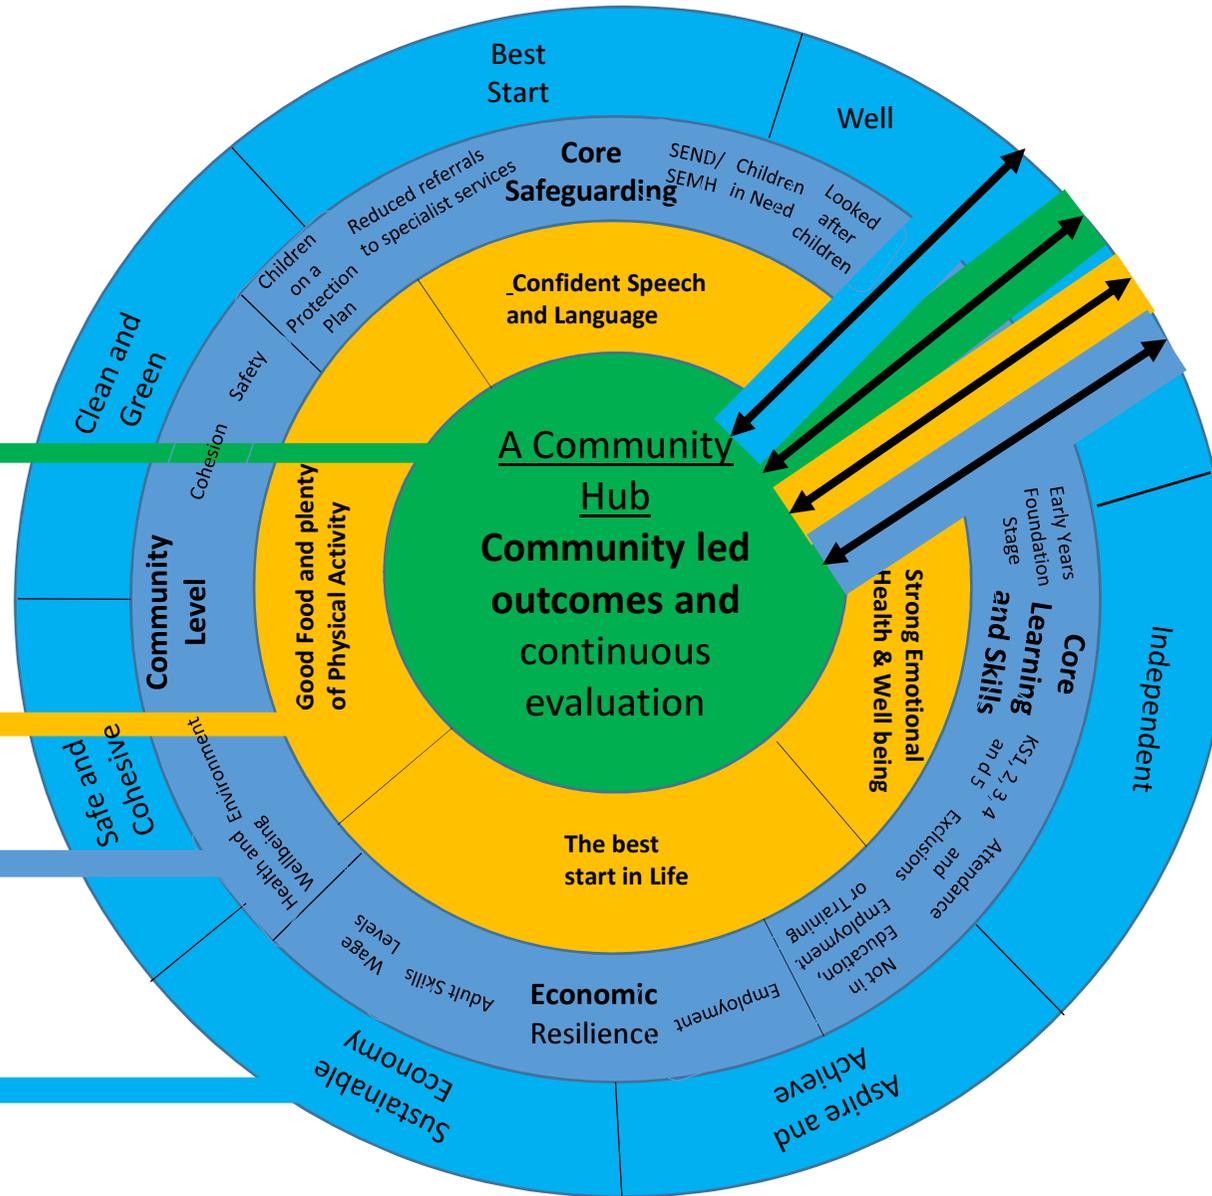

- Local Level
- District Level
- Council Level
- Partnership Level

1. Local Level
Community Hub Management structure
(Communities Outcomes)

2. District Level
Children's Integrated Commissioning Board / Education & Learning Partnership Board
(District Level Hub Leader Outcomes)

3. Council Level
Influence of performance against core outcomes, safeguarding, community and economic impact measures

Partnership Level Governance:
Health and Wellbeing board
Children's Trust

Four levels of oversight, each holding the other to account.

Investment aligned with Kirklees Community Hubs. This aligned resource will support Hub activities, increase capacity and work to reduce the demand for specialist services / targeted interventions.
