Footnotes

¹ plus appropriate permit fee.

² Fee collected in advance and deducted from the Inspection Fee when S38 Agreement is signed.

³ Flat rate of £450 is currently charged irrespective of the size of the development

⁴ Currently no charge is levied for aborted collections where the bin cannot be emptied due to it being inaccessible, presented incorrectly, overweight or contaminated. Customers can avoid a charge by cancelling a collection by noon of the working day prior to collection.

⁵ Currently no charge is levied for an abortive call if the skip cannot be collected/emptied due to it not being accessible.

Customers can avoid a charge by cancelling a collection by noon of the working day prior to collection.

⁶ The charge is based on actual costs (hourly rate plus any mileage and locksmith charges).

⁷ The charge shown is the minimum charge levied for officer time. Additional hours are £59.06/hr but are capped at £500 for officer time.

⁸ Price includes lab fees for analysis of standard pool bacteriological suite. Additional analysis charged at cost.

⁹ The Events Policy (Cabinet 16.10.18) defines **Non-Commercial** as organisations that invest profits back into the organisation in order to achieve social objectives. Commercial is defined as an organisation which shares profits with individuals e.g. directors, staff, shareholders
