1. **Summary**

- 1.1 At its meeting held 19 June 2018 the Health and Adult Social Scrutiny Panel met with representatives from key health partners and Kirklees Adult Social Care to discuss the financial position of the Kirklees Health and Social Care economy and to receive details of the actions that each organisation was taking individually and jointly to address their financial position.
- 1.2 At the conclusion of the discussions the Panel agreed that it would be extremely helpful to continue to include in its future work programme a focus on the finances of the health and adult social care system in Kirklees to include:
- Reviewing the financial position of each organisation and the whole system to include, where applicable, any emerging transformation programmes and assessing their contribution to increasing efficiencies and impact on services.
 - Considering the actions being taken to recover or maintain the Financial Position and what impact this may have on the delivery and commissioning of services.
- 1.3 Representatives from health partners and Kirklees Adult Social Care will be in attendance to provide an update on their respective financial positions and provide details of the actions which each organisation is taking individually and jointly to address their financial position. Further detail is provided in the attached report.
